DETAILED ACTION

Allowable Subject Matter

1. Claims 11 & 12 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose or render obvious a litter box assembly as described in detail. Baillie et al., Hotter, Schwartz and Vicknair, in combination or alone, fail to teach all limitation as claimed. To combine these references in order to reject all limitation would be hindsighting into Applicant's own invention, especially when Applicant claims every detail of the invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
